## Tomato Ketchup

It's the world's favourite condiment- it is added to gravies, fills buns and burgers, enhances sandwich fillings and is the perfect accompaniment, to crispy, crunchy french fries. Nobody understands the lip-smacking power of tomato ketchup better than Cremica.

Today the group operates India's largest tomato ketchup line and is the country's largest producer of ketchup portion packs. It also creates a winning range of ketchups made only out of the best, the juiciest, farm fresh tomatoes.

## Mayo

Whether it is a picnic, a summer lunch or something to rustle up quickly for guests, the velvety smoothness of mayonnaise, the buttery richness Our mayos are 100% vegetarian (perhaps the world's first vegetarian option) will always add a scrumptious touch to a sandwich, burger or roll.

## Single Serves

The first known book of recipes, "Of Culinary Matters", written by the Roman gastronome Marcus Gavius Apicius in the first century, includes recipes for jams. Jams were a kingly delicacy and many a royal sweet tooth demanded an array of fruit flavours preserved with sugar.

The royal legacy lives on in the Cremica range of jams-sweet spreads for your early morning slice, available in delicious fruity flavour.
